IBX TREATMENTS

IBX is a natural nail strengthening system made to Toughen, Repair and Protect the natural nail. IBX is the first treatment of its kind, IBX works INSIDE the nail not on top. IBX may be used under Nail Enhancements or Gel Polish. IBX will Protect, Repair and Toughen the natural nail. For Natural Nail Growth Treatment IBX will repair and internally toughen the natural nail. Also used to target natural nail imperfections and weaknesses that prevent natural nails from growing long. IBX is the perfect solution to treat particularly weak, thin, and damaged nails.

TREATMENT 1	\$40.00
MAINTENANCE	\$30.00

Maintenance is recommended once per week for Damaged and very thin nails, severely ridged and brittle nails, after enhancement removal.

Once nails are on the road to recovery but still have difficulty growing maintenance is recommended every 2 weeks. Once nails are recovered maintenance is recommended every 3 weeks.

ADD \$20.00 W/ ENHANCEMENT OR MANICURE

IBX BOOST	\$20.00
-----------	---------

Boost Gel can be used as a foundation layer on the natural nail. Boost Gel is the ultimate choice for damaged or thin natural nails as it does not require the roughing up or buffing of the natural nail. Boost Gel can be used under gel polish, nail enhancement or with IBX Treatment.

W/ IBX TREATMENT	\$15.00
W/ GEL	\$10.00
